

Concept Feedback Form

Name _____

Feedback From:	This will be successful because...	This could improve if...	My Next Steps or Next Project Step

Ideas to Consider:

Is it interesting enough for at least 10% of the population? _____ (/)

Is there a group of people who would use it repetitively?

Will people use it for at least 5 years?

Could this be even more interesting / engaging?

What will be an appropriate way to present this information in a proposal?

What will maintenance look like on this?

What items will be included on the blueprint?
